

Master Guide: Official Research Data Applications (FDZ)

This directory contains the complete, ready-to-submit official application dossiers to request real individual-level microdata from the four authoritative German Research Data Centres (**Forschungsdatenzentren - FDZ**).

1. Applicant Profile Summary (Incorporated into all Dossiers)

- **Primary Researcher / Applicant:** Cristhian David Cáceres Mateus
- **Matriculation Number:** 93515346
- **Degree Program:** Master of Science in Data Science (M.Sc. Data Science)
- **Academic Institution:** University of Europe for Applied Sciences (UE Germany)
- **Campus:** Berlin, Germany
- **Academic Supervisor:** Prof. Dr. Talha Ali Khan, Department of Business
- **Supervisor E-Mail:** talhaali.khan@ue-germany.de
- **Research Project Title:**
English: Wealth, Migration & Retirement Sustainability in Germany: Dynamic Microsimulation and Econometric Policy Analysis (2025-2070)
German: Vermögen, Migration und Alterssicherung in Deutschland: Dynamische Mikrosimulation und ökonometrische Politikanalyse (2025-2070)

2. Overview of Application Documents in this Directory

Document / Dossier	Target Institution	Target Dataset	Primary Access Mode
Master-Spezifikation (Blueprint)	Alle Forschungsdatenzentren (FDZ)	Übergreifende methodische Spezifikation	Methodisches Referenzdokument
Dossier 01: Rentenversicherung (VSKT)	Forschungsdatenzentrum der Rentenversicherung (FDZ-RV)	VSKT (Versichertenkonten-Stichprobe)	Scientific Use File (SUF) / Remote Execution
Dossier 02: Bundesbank (PHF Vermögen)	Deutsche Bundesbank (RDSC)	PHF (Panel on Household Finances)	Scientific Use File (SUF) / Remote Execution
Dossier 03: IAB Arbeitsmarkt (Geflüchtete)	FDZ des IAB (Institut für Arbeitsmarkt- & Berufsforschung)	IAB-BAMF-SOEP Befragung von Geflüchteten	Scientific Use File (SUF)
Dossier 04: Statistische Ämter (Mikrozensus)	Forschungsdatenzentren der Statistischen Ämter	Mikrozensus & EVS Scientific Use Files	Scientific Use File (SUF)
Dossier 05: Betreuer-Befürwortung (Prof. Talha)	Alle Forschungsdatenzentren (FDZ)	Master's Thesis Project Endorsement	Institutional Endorsement Letter

3. Step-by-Step Submission Procedures

Track A: Deutsche Rentenversicherung (FDZ-RV) -- Longitudinal Pension Accounts

1. **Portal:** Visit <https://www.fdz-rv.de/> -> Datenzugang -> Antrag auf Datennutzung.
2. **Documents to submit:**

3. Completed [01_FDZ_RV_Antrag_Datennutzung_VSKT.md](#) (can be pasted into their standard PDF form or submitted as project description annex).
4. Signed Supervisor Endorsement ([05_Betreuerbefuerwortung_Supervisor_Endorsement_Letter.md](#)).
5. Current certificate of enrollment (*Immatrikulationsbescheinigung*).
6. **Contact Email:** fdz@drv-bund.de
7. **Typical Processing Time:** 2 to 4 weeks. (Access is free of charge for university research).

Track B: Deutsche Bundesbank (RDSC) -- Household Wealth Panel (PHF)

1. **Portal:** Register on the Bundesbank Research Data and Service Centre portal: <https://www.bundesbank.de/en/service/research-data-and-service-centre>.
2. **Documents to submit:**
3. Completed project description based on [02_Bundesbank_RDSC_Application_PHF.md](#).
4. Co-signature / endorsement from Prof. Dr. Talha Ali Khan.
5. **Contact Email:** researchdata-service@bundesbank.de
6. **Typical Processing Time:** 3 to 5 weeks.

Track C: IAB Nürnberg -- Refugee Labor Market Integration & Remittances

1. **Portal:** Visit <https://fdz.iab.de/en/> -> Data Access -> Application.
2. **Dataset code:** [IAB-BAMF-SOEP](#) (SUF).
3. **Documents to submit:**
4. Use the text from [03_IAB_FDZ_Antrag_SUF_Refugees_SOEP.md](#).
5. Countersigned Data Use Agreement (*Nutzungsvertrag*).
6. **Contact Email:** iab.fdz@iab.de
7. **Typical Processing Time:** 2 to 3 weeks.

Track D: Destatis / Statistische Ämter -- Microcensus & EVS

1. **Portal:** Visit <https://www.forschungsdatenzentrum.de/en/request>.
2. **Documents to submit:**
3. Project outline from [04_Destatis_FDZ_Antrag_Mikrozensus_EVS.md](#).
4. Student ID and University of Europe affiliation proof.
5. **Typical Processing Time:** 2 to 4 weeks.

4. Once You Receive Your Data

When your application is approved and you download the Scientific Use File (e.g., [vskt2024_suf.dta](#) or [phf_wave5_suf.csv](#)):

1. Place the files into the designated subfolder:
 - DRV data -> [02_raw_data/drv_pension_atlas/](#)
 - Bundesbank data -> [02_raw_data/bundesbank_dwa_phf/](#)
 - IAB data -> [02_raw_data/iab_bamf_integration/](#)
2. The project's Dual-Track pipeline will automatically detect the real microdata and execute the models directly on administrative records.
